

**Memorandum of Agreement
between
Indian Electrical & Electronics Manufacturers' Association (IEEMA)
and
Power Sector Skill Council (PSSC)
and
National Power Training Institute (NPTI)**

Indian Electrical & Electronics Manufacturers' Association (IEEMA) is the apex industry association of manufacturers of electrical, industrial electronics and allied equipment in India. Founded in 1948, IEEMA has its Corporate Office in Rishyamook Building, First Floor, 85 A, Panchkuian Road, New Delhi – 110 001, India.

Power Sector Skill Council (PSSC) has been created with a mandate to facilitate skill development process across Power Sector under broad initiative of the Government of India to promote skill development and employment.

Promoted by the Ministry of Power (MoP), Central Electricity Authority (CEA) alongwith Ministry of New and Renewable Energy (MNRE) and Indian Electrical and Electronics Manufacturers' Association (IEEMA), PSSC is engaged comprehensively with Power Sector Industries, involved in Power Generation, Transmission, Distribution and Equipment Manufacturing for Power Sector. PSSC have developed National Occupational Standards/Qualification Packs (NOS/QPs) with reference to the job roles relevant for Power Industry. PSSC has strong presence across 16 states and large network of Training Providers and Assessment Bodies enabling it to accomplish its objectives.

PSSC is in full readiness to scale up large initiatives and deliver on the challenge of skill development of Power Sector.

National Power Training Institute (NPTI), a National Apex body for Training and Human Resources Development in Power Sector and an ISO 9001 & ISO 14001 organization is an autonomous organization of the Ministry of Power, Govt. of India. NPTI with its existence of over 50 years operates through its Corporate Office at Faridabad and institutes at New Delhi, Nangal, Bengaluru, Neyveli, Durgapur, Guwahati & Nagpur.

NPTI has so far trained over 2,75,000 Power Professionals in regular Programs over the last 5 decades. NPTI is the world's leading integrated power training institute, one of its kind covering a wide gamut of academic and training programs in Power Sector. A number

of customized training programs for national and transnational Customers are regularly conducted. These programs benefit the executives from different Organizations. NPTI also provides training to operational personnel on its Control Room Generation Simulators in Thermal, Hydro, Load Despatch and specialized training in Hot Line training activities etc.

IEEMA, PSSC and NPTI agree to work together in the area of Training and Skill development in relation to Power Sector covering Industry and Utilities.

The above areas of co-operation are indicative and may be expanded after mutual consultation and agreement.

The Agreement will enter into force on the date of its signing and will remain valid unless either IEEMA or PSSC or NPTI gives written notices to the other three months prior to termination.
