**Memorandum of Understanding
Between
The Indian Electrical and Electronics Manufacturers Association
And
IET Services (India) Pvt Limited**

1. To encourage the exchange and dissemination of technical information, and to promote understanding and cooperation among the members of the Indian Electrical and Electronics Manufacturers Association (IEEMA) and the IET Services (India) Pvt Ltd (IET Services), **both IEEMA and IET** have entered into an agreement on the following matters.

MISSION OF THE PARTIES

2. IEEMA is the apex association of manufacturers of electrical, industrial electronics and allied equipment in India.

As such, all activities of IEEMA, including all activities in cooperation with IET Services (India) Pvt Ltd contemplated by this Agreement, must be consistent with and must further IEEMA's scientific and educational purposes and comply with all laws applicable to IEEMA.

3. IET Services (India) Pvt Limited, carries on the business of promoting science, engineering and technology and to facilitate the exchange of information and ideas on these subjects in India and other parts of the world and hold or promote exhibitions of instruments, apparatus, machinery or other appliances connected with science, engineering and technology, or their applications to print, publish, sell, lend or distribute the proceedings or reports or any papers, communications works or treatises on science engineering and technology or their applications or subjects connected therewith, in any language, or any abstracts thereof, or extracts there from;
4. This MOU will cover three areas of co-operation between IEEMA and IET Services (India) Pvt. Limited
 - (a) Joint events and activities
 - (b) Joint dissemination of knowledge
 - (c) Joint efforts to improve the state of engineering education in India

JOINT EVENTS AND ACTIVITIES

5. IET Services (India) Pvt. Limited & IEEMA will jointly work on creating events and activities which will benefit their members and other interested individuals and **stakeholders**.
6. A separate detailed agreement around this will be signed subsequently.

JOINT DESSIMINATION OF KNOWLEDGE

7. IEEMA and IET Services (India) Pvt. Limited will hold joint technical lecture and talks with the aim of dissemination of relevant knowledge to the technical society in India
8. A separate detailed agreement around this will be signed subsequently.

JOINT ACTIVITIES TO IMPROVE ENGINEERING EDUCATION IN INDIA

9. IEEMA and IET Services (India) Pvt. Limited may, subject to agreement on specific items, enter into joint projects, events, and products such as conferences, forums, publications, standards, educational materials and awards. Joint activities devoted to preserving and sustaining the environment, teaching mathematics and science to children, improving technology awareness in the general public and engineering schools, and improving the image of the members of both organisations and the profession, may also be explored.

10. In addition, access to each organisations schedule of technical conferences and events shall be made available to the other.
11. Where joint activities are planned to take place in any geographic region, the corresponding IEEMA Regions and National Sections and IET Regional Boards and IET Local Networks will be kept informed. This requirement will form part of any additional agreement.
12. Where joint activities are planned to take place, promotional material will conform to the standards set out in the brand guidelines of the respective **organisations**. For the sake of clarity **both** the parties hereby mutually agree that they will not claim any right, title of interest in the brands, logos, trademarks or other intellectual property and proprietary material and information of the other (collectively "**Proprietary works**") and further will only use such Proprietary Works provided by the other for the sole purpose of this MOU and any specific guidelines and agreement in this regard.

RELATED AGREEMENTS

13. The terms of this agreement do not in any way set a precedent over any other agreement or contract entered into between the parties whether in current existence or in the future.

REVIEW, AMENDMENT AND TERMINATION

14. Amendments to this agreement may be proposed at any time, but will not be valid until they have been **agreed** by both IEEMA and IET Services (India) Pvt. Limited.
15. Other cooperative agreements, which may be made in the future, such as between the IET Services (India) Pvt. Limited and a Technical Society/Council of the IEEMA, shall be documented in a supplement to this agreement.
16. The term of this agreement shall be for duration of four (4) years, from the date of ratification by both parties, subject to termination by either party on three months' notice in writing. Renewal is contingent upon approval by both **the** institutions.
17. This agreement comes into force by the signature of the authorized representatives of both parties.
