

Memorandum Of Understanding
between
The Electrical And Electronics Association Of Malaysia
(TEEAM)
and
Indian Electrical & Electronics Manufacturers Association
(IEEMA)

The Electrical And Electronics Association Of Malaysia and the Indian Electrical & Electronics Manufacturers's Association (hereinafter referred as "the Parties") desirous of further promoting trade relations and economic co-operation in the field of electrical industry between their two countries on a mutually advantage basis, have agreed on the following :

Article I

The Parties will endeavour to promote trade and economic development between their two countries and consolidate co-operation between both Parties.

Article 2

The Parties will facilitate the exchange of periodical publications, and up-to-date information and materials concerning trade economy and technology in their home market.

Article 3

Each Party will assist in arranging contacts between member companies having mutual business interests.

Article 4

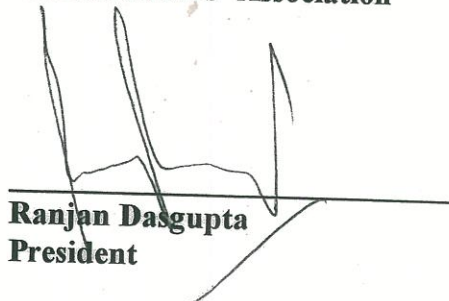

This Memorandum will enter into force on the date of its signing and will remain valid unless either Party gives the other Party a written notice six months prior to termination.
