Health & Fitness Updates

Corona Virus Precautions

Wash your hands with soap and water regularly

If soap and water is not available, use hand sanitizer with at least 60% alcohol

Wash hands before touching eyes, nose and mouth

Throw used tissues into closed bins immediately after use

Cover your nose and mouth with handkerchief/tissue while sneezing and coughing

Avoid mass gathering and crowded places

Immunity Promoting Measures

Simple Ayurvedic Procedures

- Nasal application - Apply sesame oil / coconut oil or Ghee in both the nostrils (Pratimarsh Nasya) in morning and evening.
- Oil pulling therapy- Take 1 table spoon sesame or coconut oil in mouth. Do not drink, Swish in the mouth for 2 to 3 minutes and spit it off followed by warm water rinse. This can be done once or twice a day.

During dry cough / sore throat

- Steam inhalation with fresh Pudina (Mint) leaves or Ajwain (Caraway seeds) can be practiced once in a day.
- Lavang (Clove) powder mixed with natural sugar / honey can be taken 2-3 times a day in case of cough or throat irritation.
- These measures generally treat normal dry cough and sore throat. However, it is best to consult doctor if these symptoms persist.
