Electrical Fire Safety Conclave

IEEMA organised its second edition of “Electrical Fire Safety Conclave” on Friday, 30th November at ITC Grand Chola, Chennai. The conclave emphasised on various aspects of electrical risk management, improper maintenance and ignorance of the safety precautions during their use which leads to fire accident due to lack of awareness or knowledge. The Conclave was inaugurated by Hon’ble Governor of Tamil Nadu Shri Banwarilal Purohit. The conclave witnessed the presence of more than 200 delegates with everyone appreciating the initiative taken by IEEMA of conducting such conclaves on this subject.
