Sub: Proposal for doing customised Training Programs for NBPDCL

Dear Sir,

Greetings from **IEEMA**.

IEEMA, the apex industry association of manufacturers of electrical, industrial electronics and allied equipment in India, represents the complete value chain in power generation, transmission and distribution equipment. Our 900+ members have contributed to more than 95% of power equipment installed in India.

IEEMA provides product specific technical training to Users at their premises on technical, policy and other day to day subjects for capacity building of various stakeholders which includes Industry, Utilities and other stakeholders in the Electricity sector. The topics are selected on need demand basis of different stakeholders.

IEEMA has also been conducting technical trainings at Utilities doorsteps. Since last three years various trainings have been conducted for over a dozen utilities on different topics. Various product portfolio of IEEMA members on which we can offer Technical Trainings to your organisation are:

Cables	Energy Meters	RE & Storage Products
Conductors	Instrument Transformers	Smart Grids
Distribution Transformers	Insulators	Surge Arresters
Rotating Machines	LV Switchgears	Power Generation Systems
Electrical Insulation Materials	MV/HV Switchgears	Power Transformers
Elevators & Escalators	Capacitors and Power Quality Products	

We engage best of the Industrial experts as faculties from top manufacturing companies. PSUs, MNCs, other big manufacturing companies who are our members bring in rich training experience covering end-to-end industrial & manufacturing knowledge from the shop floor, which provides a holistic knowledge to the participants on the subject.

We request you to kindly provide us a list of training topics you would like us to conduct with details of the sub topics (if any) you want to cover. You may also suggest any of your preferred companies from which you wish to get the faculty sourced from. We would customise our training modules as per your requirements and try to fulfil your expectations to the nearest possible, if not exact.

We look forward to hear from you to take this process forward.

Thanking you,

Yours sincerely,

J. Pande
Director General

proud partners in implementation
