You see a flawless picture.  
We see precision in the  
every core.

For a company that manufactures critical accessories for hi-end electrical and electronic systems, flawless quality is the prime requisite. At Billets Elektro werke Pvt. Ltd. we not only have the expertise but also ample experience in manufacturing products and equipment that meet the most stringent quality demands of the world. Our quality control and inspection procedures are standardized as per ISO 9001 2015 and have also been certified by TUV. In fact, we have won several Export Excellence Awards from the Government of India/EEPC.

Our expertise in design, manufacture and quality control has also been acknowledged by clients from USA, Australia, New Zealand, Singapore, Myanmar, Hong Kong, Gulf Countries, South Africa, Kenya, Spain, Netherlands, Ireland and UK, most of whom have been associated with us for the past 15 years and are testimony to our quality and services. Proof enough that when you are obsessed with quality, the world takes notice.

## COVER STORY

### India's T&D sector: Transforming and Developing with Technology and Digitalisation

14

The T&D sector in India is poised for transformative growth, with opportunities to redefine the energy landscape. With a comprehensive approach involving infrastructure development, policy reforms, technological innovation, digitalisation and skilling, and capacity building, India can build a resilient, sustainable, and globally competitive T&D network, supporting its broader energy transition goals.

## FOCUS

### Reach Lofty Heights on Firm Foundations 32

Building strong foundations has emerged as a critical challenge in T&D infrastructure projects, challenging the project's stability, sustainability of life and infrastructure. T&D expert and IEEMA columnist **Dr. Deepak Lakhapati, PhD**, addresses lapses in the foundation of power infrastructure and the way forward.

## SPECIAL REPORT

### Advancing Green Hydrogen Production 42

A strategic alliance signed between TKIL Industries and SoHHytec represents the deployment of the groundbreaking green hydrogen technology in India, set to impact the nation's energy landscape.

**IEEMA EVENTS**

**ELECRAMA 2025: Spectrum of Solutions Powering the Planet 46**

IEEMA is gearing up to present ELECRAMA 2025 – the world’s largest electrical show, with this edition aiming to set new benchmarks, featuring over 1,100 exhibitors, 400,000 anticipated business visitor footfalls, more than 15,000 B2B meetings, 600+ hosted buyers representing 80 countries, and the addition of over 10 country-specific pavilions.

This edition, we showcase ELECRAMA previews held in the past month across:

- Nashik
- Agartala
- Aurangabad
- Kochi
- Mumbai
- Chandigarh
- Kolkata
- Vadodara
- Jaipur

**IEEMA EVENTS**

**Going Global 60**

To promote ELECRAMA internationally as well, IEEMA officers visited countries across the globe, meeting important utility officials and key stakeholders while briefing them about the mega event.

This edition, we present a photo-feature of countries visited by IEEMA officers in the past month across:

- Ghana
- Cameroon
- Belgium
- Côte d’Ivoire
- Italy
- Nigeria
- Spain
- Oman

**IEEMA EVENTS**

**Industry Cluster Outreach 74**

Beginning with Chhattisgarh, IEEMA hosted its first Industry Cluster Outreach on December 20, 2024.

**POLICY UPDATES 75**

- CEA recognises indigenously developed SHKT technology under hydro category
- India’s RE capacity registers 14.2 percent y-o-y growth.
- Centre approves 2,000 MW solar park in Rajasthan.
- MNRE announces significant amendment to ALMM Order 2019 to advance solar manufacturing.
- MoP launches NTPC’s green hydrogen buses in Leh.
- MoP notifies draft amendment in guidelines for installation and operation of Electric Vehicle Charging Infrastructure-2024.

**POWER STATISTICS 78**

- Global Scenario 78
- Indian Scenario 79

**IEEMA DATABASE 80**

- Basic Prices and Indices 80
- Production Statistics 81

**EXIM REPORT 82**

- Export-Import Scenario 82

**NEWS 84**

**NATIONAL 84**

- Powergrid secures bid for two ISTS projects on BOOT basis.
- Odisha Government sanctions Rs13.86 billion RE projects.
- NLCIL commences commercial operation of Ghatampur thermal power plant’s Unit-I.
- NGEL and MAHAGENCO form JV for RE parks in Maharashtra.
- NHPC announces winners for 1.2 GW Tranche-VI FDRE projects.
- PFCCCL incorporates SPV for transmission system expansion in North-Eastern Region.
- West Bengal to modernise three thermal power plants and expand RE projects.
- SECI announces winners for Tranche-XVII solar projects with energy storage.
